

A vibrant illustration of a summer beach scene. In the top left corner, a large yellow sun is partially visible. The background is a clear blue sky with a single white, fluffy cloud on the right. A large green palm tree stands on the left side. In the foreground, there is a red and white striped beach chair, a red and white striped beach umbrella, a brown suitcase, a tan hat with a red band, and a pair of yellow flip-flops. The overall theme is a sunny, relaxing day at the beach.
